

COVID-19 Cancellation Policy

In the event that COVID-19 impacts the ability of _____ to receive short-term mission teams, decisions regarding trip cancellation or postponement will be made in the following manner:

Decisions to cancel or postpone trips will be made by:

_____ will monitor the state of COVID-19 in their country/region and will meet at least _____ days before the scheduled trip to evaluate trip safety. _____ will determine whether it is safe to host teams based on:

Teams will be informed of decisions regarding cancellation/postponement of trips as soon as possible.

In the event that there are sudden changes in the safety of the region or _____'s ability to host teams, teams will be notified as soon as possible. This may happen at any point in the pre-trip planning process, even immediately before a team departs. Remember, our first priority is to keep mission trip participants and our community safe.
