

Lost, defeated, and forced to roam LINSTeAD, 8 8 8 8 with refrain

James Hart Brumm, 2007

Jamaican folk song, adapted Doreen Potter, 1975

1. Lost, de-feat-ed, and forced to roam, still, our Mak - er gives us a home,
2. Hopeless, dy - ing, and turned a - way, drawn to Christ and a brand new day;
3. Can we act with re - deem-ing grace, work and share in our pres - ent place?
4. Trust-ing all God has done be - fore, mind - ful we have been prom - ised more,

lands to build on and lives to grow, see - ing "Wow" in the midst of woe.
health-y, ea - ger to start life new, dare we stop to be thank-ful, too?
Con - fid - ent in the grand de - sign, washed, well - fed, we find Love Di - vine.
try en - joy - ing life, turned a - round, mend - ing, wel - com-ing, shar - ing, found.

Refrain
Live a - bun - dant - ly! Reach out grate - ful - ly! Gen - er - os - i - ty is God's plan!
